Attendance Communication

To Families and Care Providers:

As you know, the Harford Center is out and about in the community on a daily basis. In an effort to provide clear communication, The Harford Center is requesting that schedule changes, early pick-ups, and late-drop-offs are communicated to the main office (410-939-1420). Please provide a 48-hour notification of all planned schedule changes that will impact programming and transportation.

Thank you in advance for your assistance. If there are any concerns or questions contact us via phone, email or come into the center.
